## **Newsletter - 28.09.2018**

### **This Week**

This week the children have started to learn about autumn. Today they have been on an Autumn Walk and have been observing the changes. They have also been collecting lots of leaves and conkers ready for activities next week.

The children enjoyed collecting apples and pears from our nursery garden. They used the apples and pears to make an apple and pear fruit crumble. Most children tasted it and thought it was delicious. They continued to make crumble mix in continuous provision.

Phonics groups this week have been focusing on environmental sounds or initial sounds in words (the first sound in a word).

In Forest School the children made friendship bracelets using 'dragon breath' (red and yellow wool).

The children learnt about being kind and having good manners in a puppet workshop.

The 2 year olds have enjoyed using the new bubble machine outside and learning the colours red, blue and green.

### **WOW Books**
