This Week

This week we have been learning about Diwali. The children watched a DVD, read stories and made Rangoli patterns. They have also learnt a Diwali song.

Other activities include: making bonfire pictures, transporting pom poms using tweezers, making firework pictures using spray bottles and paint, counting candles to match the correct numeral on the cake, exploring making different marks with glitter paint and role playing in the doctors.

Today the children have been learning about why we wear poppies.

Next week, we will be learning about people who help us. The visit from Lancashire Hawks and Owls has been rearranged for Friday 16th November.

In Forest School, the children learnt a new game 'Dragons and Hunters'. They also learnt how to use hammers and drills safely.

Lunches

If you add grapes to your child's packed lunch, please ensure they are cut into quarters. This is what has been recommended to prevent choking. Thank you.

Nursery Photographs

Reminder - Monday 19th November.

Late to Nursery

Please try to ensure that your child arrives on time. At the start of the session, the children have time in their key worker groups where they discuss how they are feeling etc. They also, look at WOW books, recap word of the week, discuss what is new in the areas and what activities are available and count how many children are here. If children are late they miss out on these important learning opportunities.

If you are late, you need to sign your child in at the office as the register will have already been taken.
