## **Newsletter - 21.11.2018**

### **This Week**

The children have been learning about friendship and being kind. They have also been learning about people who help us.

Some of the activities include: creating square patterns on Police cars, reading non-fiction books about people who help us, creating a friendship chain, sorting recyclable materials and painting the rainbow fish.

The focus story has been 'The Rainbow Fish'.

The 3-4 year old children walked to the postbox to post some letters. We also discussed road safety.

The children have also been practicing using scissors to cut different shaped lines.

In Forest School, the children have been using a pyrography pen to make decorations. The 2 year olds have been making scarecrows in Forest School.

The children enjoyed the visit from Lancashire Hawks and Owls last week. Photographs are displayed on the Key Person Group boards.

### **OFSTED Letter**

A copy of the letter has been sent out to parents. A copy is also available on the school website. We are extremely pleased with the letter and I would like to thank all staff, governors, parents and children for all their hard work and support. Ightenhill Nursery School is a nursery for everyone to be proud of. 'Children are delightful' demonstrates how impressed the inspector was with the children. They are a credit to our nursery.

### **WOW Books**

Can you tell someone about the story of The Rainbow Fish? Please also let us know what you have been doing at home.

### **Wonderful Word of the Week**

This week the Wonderful Word of the Week was friendship.

### **Attendance**

Well done to the Ladybirds who had the highest attendance with a fantastic 99%
