### **This Week**

This week the children enjoyed having a visit from the Police. They had the opportunity to try on uniform and sit inside the Police car. Each group thought of some questions to ask them prior to the visit. We have also been reading non-fiction books about Police and watching a DVD about how Police help us. The children have been role playing being Police outside.

We also had a visit from four of our Governors. The children welcomed the governors, asked them lots of questions and showed them around nursery. Thank you to the governors for attending.

Our nursery elf, Pop, returned to nursery today. He will return to nursery each day in a different place. You will have to see if you can find him! Photos will be on our Facebook page and website for you to look at with your child. It is good to use as a talking point for what they have been doing at nursery.

The focus story this week was
