## **Adverse Weather Conditions Arrangements**

As you will have seen, heavy snow has been forecast for tomorrow, particularly in the afternoon.

### **Mornings**

In the morning, Mrs. Daniels-Green communicates with Mrs. McKinley, the Site Supervisor, to risk assess the safety of the site. We will endeavour to have made a decision by 8am (earlier if possible).

In the event of having to close nursery, we will notify parents via:

### **During the Nursery Session**

In the event of having to close, parents will be notified as above and by phone if needed. Please check our Facebook page/ website throughout the day.

We will always endeavour to open as long as the site is deemed safe. Please plan your journey and take extra care on the roads around nursery.
