## **Newsletter - 17.05.2019**

### **This Week**

This week has been healthy week. The children have been learning about keeping healthy. Some of the activities we have done this week include: tasting a variety of vegetables, sorting healthy foods, comparing vegetables, printing with vegetables, races outside, exercising and dancing to Lazy Town songs. They have also watched a DVD about keeping healthy.

We have continued to follow children's interest in volcanoes. The children have been doing scientific experiments to make the volcanoes erupt.

In Forest School, the children have made a 'Bug Hotel' and been collecting bugs. They have also been using leaves to identify different types of trees.

Our focus story has been 'Oliver's Vegetables'. The children have created their own healthy lunchbox.

The song of the week was 'Here We Go Round the Mulberry Bush' choosing healthy things that we do.

### **Word of the Week**

The word of the week this week is: healthy

### **WOW Books**

Can you draw a picture and tell us about anything you have done during the weekend that is healthy.?

### **Attendance**

Last week we had 2 groups with the highest attendance. Both the Butterflies and Caterpillars had a fantastic 97% attendance. Well done to all the Caterpillars and Butterflies.

### **Spare Clothes**

Please ensure that your child has some spare clothes. We recommend keeping a bag with old clothes in on their coat peg.
