### **This Week**

This week we have continued to learn about being healthy. Some of the activities provided include: role playing being in a shop with a variety of fruit and vegetables, tasting a variety of fruit and vegetables, making coleslaw, sports challenges outside, exercising and learning the importance of brushing teeth, washing etc.

In Forest School, the children have been making nests using a variety of natural resources.

Some of the children performed in 'Ightenhill Has Got Talent'. The children were fantastic performers and really enjoyed taking part. The children have been practicing in small groups. All children will have a turn at taking part at some point. We have started with the school leavers to ensure they can participate before leaving for school.

The children were very excited when Belle from Beauty and the Beast came to visit. She sang a song and had photographs taken with the children. Photos will be shared on Facebook (children who have permission).

Our focus story has been 'Oliver's Fruit Salad'.

The song of the week is 'The Sun Has Got His Hat On'.
