This Week

This week we have been learning about summer (despite the weather)! Some of the activities include: painting ice creams using pom-poms and tweezers, sorting clothes into summer and winter clothes, role playing going on holiday, making a beach with sand, pebbles, shells etc. The children have also been practicing bat and ball skills.

This week we have introduced Acts of Kindness. We have set a challenge to achieve 100 acts of kindness. The children thought of some fantastic ideas and were excited to take their card home. You should have received a letter with further information. Please help your child to take part as we will be sharing the acts of kindness in nursery. We have already received a photo of our first act of kindness which you can see on our Facebook page.

In Forest School, the 3-4 year children sat around the campfire and made pasta. They enjoyed eating the pasta with lots having extra portions. They learnt about fire safety and keeping themselves safe.

The children in nurture went on a colour hunt in Forest School and made a collage with the natural materials they had collected.

WOW Books

Can you do an Act of Kindness for someone and tell us about it?

Attendance

The group with the highest attendance last week was the Caterpillar group. Well done to all the Caterpillars.

Spare Clothes

Please ensure that your child has some spare clothes in nursery at all times. We recommend keeping a bag with old clothes in on their coat peg. The children can get wet, muddy etc. and we do not have enough spare clothes to fit etc. so please keep some spares at nursery.

Parents Evening

Thank you to all parents/ carers who came to parents evening. It was great to share with you the fantastic progress your children are making. Thank you for taking the
