Newsletter - 12.01.2018

Welcome back and Happy New Year! We hope you all had a lovely Christmas.

Welcome to all the new children and families who have joined us this week. It has been lovely to meet you all and we look forward to working with you.

This Week

The children have been settling back into nursery and meeting new friends. They have been drawing pictures and telling us what they have been doing over the holidays.

Gardening Project - 'Growing Communities' Session Reminder

Tom the gardener is visiting nursery on Tuesday 16th January 2018. Parents/carers/family members etc. are invited to join us for the session which will involve planting spring bulbs with their child and digging the weeds out of the planting area. We will also be introducing a coffee morning/afternoon with Mrs. Whitehead as part of the session.

Morning Session - 10am

Afternoon Session - 1.45pm

Parents/carers will be able to take their child home at the end of the session.

Please inform Mrs. Daniels-Green if you are attending the session so we can plan the sessions based on number of people attending. Thank you

Next Week

Next week we will be reading the story 'Goldilocks and the Three Bears' and completing activities related to the story. We are focusing on developing children being imaginative and role playing the story.

Illness

We have been informed of one case of scarlet fever at nursery. 'Scarlet fever is an infection that causes a blotchy, pink-red rash. It's most common in young children, but can affect people of any age.

It isn't usually serious and can be treated with antibiotics from your GP. Once you've had it, you're unlikely to get it again.

Symptoms of scarlet fever develop within a week of being infected.

Early signs include a [sore throat](#), a [headache](#), a high temperature (38.3C/101F or above), [swollen glands](#) in the neck and being sick.

This may be followed by a rash on the body, a red face and a white or red tongue.

You are advised to see your GP if your child has any symptoms.

WOW Book Challenge

Shape Challenge: how many different shaped objects can you find in your house?

Reminders

Please ensure your child has a pair of wellies in nursery at all times. Please also check to see if your child's wellies still fit.

Snack money (£1.50 a week) to be paid to Mrs. Fletcher in the school office.

Forest School

Forest School sessions will start for some children next week. You will find out which day your child will be doing forest school next week.

Thank you for your continued support
