## **Newsletter - 28.06.2019**

### **This Week**

We have had a busy week this week doing lots of 'Random Acts of Kindness'. We baked some biscuits and then took them out into the community. We gave some to the chip shop, the bakery and the barbers. The shopkeepers really enjoyed meeting the children and were very grateful for their biscuits.

Other activities the children have been doing this week include: an outdoor number hunt, acting out the focus story in small groups, we have continued to make super hero props and dressing up as super heroes and the biscuit ingredients have been in the solid tray, so we could practice making our own biscuit mixture.

In Forest School, the children have been working with clay. The school leavers have each made a 'Mr. Greenman' plaque which they will be bringing home as a memento from Forest School.

We are also very pleased to report we have a new shed in Forest School with an outside toilet.

Thank you for helping us complete so many acts of kindness. Please remember to ask the next person to pass it on. We have currently achieved 38 acts of kindness. Please help us to reach our target of 100.

### **Word of the Week**

The Word of the Week this week is 'Africa'.

### **WOW Books**

Maybe you could write some of the numbers you found on the number hunt?

### **Focus Story**

Our focus story has been Handra's Surprise by Eileen Browne. We have been retelling the story using a story map.

### **Primary School Visits**

Some of the children have been to visit their new schools this week and we have had their teachers visit us in Nursery too. Please inform Mrs. Fletcher when your child is attending school visits.

### **Head Lice**

An incident of head lice has been reported in nursery. Please can you check your child for head lice and treat if necessary.

### **Spare Clothes**

Please can you make show your child has spare clothes in nursery. If you have borrowed some of nursery clothes, please can you make sure you return them. We are very short on spare clothes especially bottoms and underwear. If your child has grown out of any clothes; we would gratefully appreciate any donations.

### **Attendance**

The group with the highest attendance last week was the Butterfly group with 97%. Well done to all the Butterflies.

Thank you for your continued support.

Mrs. Daniels-Green
