This Week

This week we have been learning about pirates. The children have enjoyed dressing up and role playing pirate stories with the treasure chest. We have been making playdough pirate ships, pirate maps and even walking the plank!

We have had special visitors to nursery this week. The children of Rosegrove nursery came to play with us. The school leavers had very important jobs to do; we had to show them around our nursery, show where things were and how we look after our resources. We introduced children who will be going to the same school. Next week, the school leavers will be visiting Rosegrove nursery so they can experience a new environment too. We will be obtaining parental permission for this activity.

We are delighted with the amount of acts of kindness we have completed. Please remember to ask the next person to pass it on. We have currently achieved 44 acts of kindness. Please help us to reach our target of 100.

Word of the Week

Instead of word of the week this week, we have had a pirate word challenge. Each key worker group had to think of the most words associated with pirates. We will announce the winners next week.

WOW Books

Maybe you could draw something to do with pirates this week?

Focus Story

Our focus story has been 'Polly Parrot Picks a Pirate' and we have created life size pirates.
