## **Newsletter - 18/11/2019**

### **We are learning:**

We had a lovely friendship week ending with an assembly where the children each gave their friend a friendship bracelet they had made. We also launched our friendship tree. If we see a child being a good friend, they can earn a token that will go on the friendship tree in nursery.

This week we are starting 'People who help us theme.' We will be having a doctor and a post lady coming to talk to us about how they help us. The children will be making emergency vehicles in the creative area and role playing fire fighters outdoors.

From 'child's voice', the children have told us they would like to learn more about magnets so this week we are going to do some investigating to see what is and isn't magnetic. They also want to learn more about spiders so we are going to make a giant outdoor spider web. We will be able to practice our threading and weaving skills which we learnt last week.

### **Children in Need.**

The children all looked fantastic on Friday and we raised £49.40. Thank you very much for your support and contributions

### **Word of the Week:**

This week we are having a logo challenge. We will see which logos are familiar to our children.

### **Focus Story**

This week we are going to look at different non-fiction books about different jobs with the theme people who help us. For instance, a nurse, a paramedic and the fire service etc. We will talk to the children about what they do in their job role.

### **Focus Song**

Our focus song this week is called 'Being a Spider'.

### **WOW Books**

Please remember to bring your WOW books back to nursery. The children love to share with us what they have been doing at home.

### **Wow Book Challenge:**

Can you draw a picture or take a photograph of someone who helps you?
