Newsletter – 28/09/20

Learning this week:

This week we will be starting our 'Bee' theme. Unfortunately, due to COVID-19, our beekeeper won't be able to visit the children at nursery but he will be making a special video for the children so they can learn all about bees. We will also be tasting honey, focusing on the colours yellow and black and looking at stripy and repeating patterns

Talking
Time:

Talk to your child about:

- * What colours are bees?
- * Where do they live?
- * What do bees make?

Wonderful Word of the Week:

Our Wonderful Word of the week is 'Hive'

Talking
Time:

Talk to your child about:

- A hive is where bees live.

Makaton Word of the Week:

Our staff are now using sign language for some core words to help with communication and language.

Our Makaton word of the week is 'Please'.

Watch Mrs Whitehead demonstrate how to sign the word on our website (home learning) and Facebook page.

Focus Story

This week the children will be reading 'Bumblebear.' You can listen with your child, to it being read, by a member of staff on our website (learning zone) and on our Facebook page.

Talking
Time:

Talk to your child about:

- What happens in the story?
- What characters are in the story?
- What facts do you know about bees from the story?

Focus Song

This week our focus song is 'Here is a Beehive'. Sing along with Mrs Auld on our Website and Facebook page.

IPads

We have our IPads out on a Wednesday and Thursday for the children to play on if they wish. Each week there is a different app to use. This week's app is a pre-writing app.

Movie Monday

Each Monday, we put a movie on for the children which they can choose to watch if they wish. This week we are watching 'Winnie the Pooh.'

Tapestry

Tapestry Challenge: Can you draw a picture of stripy, yellow and black bee? Upload your work onto tapestry.

Footwear

Please ensure your child wears shoes for nursery and not wellies. They need to have a pair of wellies, to keep in nursery, for outdoor play.

Forest School

The older children will be starting their Forest School sessions this week. Please ensure your child has warm clothes and spare socks for the session. We provide waterproof clothing. Each child will have their own suit.

New Starter Parents

Due to the recent further restrictions regarding COVID-19, we feel it will be safer not to have these meetings face to face. However, we will be making a video with all the information, which we will be sending out to the new parents of our 3-4 year olds.

Head Lice Alert

We have had an incident of head lice. Please check your child's head tonight and treat if necessary.

Zig-Zag Lines

The safety of our children is paramount. Please do not park on the zig zag lines, where the yellow signs are, outside nursery.

Items from home cannot be brought into nursery. E.g. toys, blankets etc.

Please make sure you have a bag of spare clothes (and nappies if your child wears a nappy). Children will be going outdoors so ensure they have a warm coat and some wellies.

Children will not be wearing aprons for the water and paint area. Please do not send your child in their best clothes.

Government Advice for Parents/ Carers

What should I do if my child or someone in my household has symptoms of coronavirus (COVID-19)?

It's important that if your child (or anyone in their household) has any coronavirus (COVID-19) symptoms, they should not attend their nursery or childminder and should stay at home. You should arrange for them to get a test and tell your nursery or childminder the test results. This will help the NHS Test and Trace process. If you have a positive test result, your household should remain at home and follow the Test and Trace self-isolation guidance.

COVID-19 Symptoms

- A high temperature
- A new continuous cough
- A loss or change to their sense of smell or taste.

What happens if another child at the same nursery or childminder tests positive for coronavirus (COVID-19)?

If your child has been in close contact with someone who has tested positive for coronavirus (COVID-19), you will be asked to make sure they isolate for 14 days. Other members of the household would only need to isolate if your child started developing symptoms. Anyone who has symptoms can get a test, including children under 5.

If there was a positive case for COVID-19 within nursery, children and staff would have to self-isolate for 14 days. Unfortunately, this would be at short notice as we have to take immediate action if we receive a positive test result. Parents will be informed via Facebook, our nursery school website and a letter sent via email.

Guidance NHS Test and Trace: how it works

The government has provided an overview of the NHS Test and Trace service, including what happens if you test positive for coronavirus (COVID-19) or have had close contact with someone who has tested positive. Please follow the link below:
