Newsletter - 11/01/21

Happy New Year
Welcome back to Nursery

Nursery is currently open to all children. Please read the COVID-19 reminders at the bottom of this newsletter. We continue to be in two learning bubbles; the rainbow room and the sunflower room.

For those children not wishing to attend nursery, please see our learning zone on our website for home learning. Ideas for home learning will also be posted on our face book page.

Please check your emails, our Facebook page and website for any COVID changes made by the government, which will affect Nursery settings.

Learning this week:

This week we are learning about wild animals. We will be sorting the animals; characteristics and where they live i.e. land, sea, and desert. We will be learning the different sounds they make.

Outdoors, we will be making some turtles out of natural resources and mud painting wild animals.

Talking
Time:

Talk to your child about:

- Which wild animals do you know? What sounds do they make?
- Can you describe them? Where do they live?

Wonderful Word of the Week:

Our wonderful word this week is 'Habitat'

Talking
Time:

Talk to your child about:

- * A habitat is where an animal lives and what they need to survive?
- * Which animals live in water, mud, sand, trees or the jungle?

We nurture, we learn, we grow.

Makaton Sign of the Week:

Our Makaton sign of the week is 'look'.

Watch Mrs Whitehead demonstrate how to sign the word on our website (learning zone) and Facebook page.

Focus Story

Our focus story is 'Walking through the Jungle'. You can listen with your child, to it being read, by a member of staff on our website (learning zone) and on our Facebook page.

Talk to your child about:

- Which animals are in the story?
- Where do they live?
- Can you order the animals?

Focus Song

This week our focus song is a number rhyme -'Five Little Speckled Frogs...' Sing along with Mrs Auld on our Website and Facebook page.

IPads

We have our iPads out on a Wednesday and Thursday for the children to play on if they wish. Each week there is a different app to use. This week's app is 'Body Boggle.'

Movie Monday

Each Monday, we put a movie on for the children which they can choose to watch if they wish. This week we are watching 'Madagascar.'

Poetry Basket

In our poetry basket this week is the 'I can build a snowman' poem. The words are on the website for you to share with your child at home.

Enchantment

This week, the children have loved playing in the snow and shown interest in the ice. We have frozen water and the children have been fascinated playing with the ice and observing it melt.

Forest School

Unfortunately, due to COVID-19, we will not be able to have our introduction to forest school session, for our parents of the new starters. As an alternative, we will send out a video showing you the forest school environment and explain more about what the children do in forest school. If you have any questions, please do not hesitate to contact us.

The video will be posted week commencing 18th January.

Phonics and Maths Open Parents Session

Again, we had planned our open phonics and maths parent sessions on Tuesday 19th January, but unfortunately due to COVID-19, these will not be going ahead. As an alternative, we will be sending home a parent information leaflet about these subjects.

Tapestry

Thank you for sharing your learning at home on Tapestry. It is lovely to see what the children have been doing.

Tapestry Challenge: Can you make draw, paint or create your favourite wild animal? Please upload your work onto tapestry.

Snack/Nursery Contribution Money

To minimize the spread of infection, please can you pay snack money for the full half term by bank transfer:

This term it will be £9:00

(£15.00 if your child is taking up the full 30 hours.)

Bank details: HSBC Bank

Sort Code: 40 15 17 Account Number: 41031333

Please put your child's name as the reference.

Government Advice for Parents/ Carers

What should I do if my child or someone in my household has symptoms of coronavirus (COVID-19)?

It's important that if your child (or anyone in their household) has any coronavirus (COVID-19) symptoms, they should not attend their nursery or childminder and should stay at home. You should arrange for them to get a test and tell your nursery or childminder the test results. This will help the NHS Test and Trace process. If you have a positive test result, your household should remain at home and follow the Test and Trace self-isolation guidance.

- A high temperature
- A new continuous cough
- A loss or change to their sense of smell or taste.

What happens if another child at the same nursery or childminder tests positive for coronavirus (COVID-19)?

If your child has been in close contact with someone who has tested positive for coronavirus (COVID-19), you will be asked to make sure they isolate for 14 days. Other members of the household would only need to isolate if your child started developing symptoms. Anyone who has symptoms can get a test, including children under 5.

If there was a positive case for COVID-19 within nursery, children and staff would have to self-isolate for 14 days. Unfortunately, this would be at short notice as we have to take immediate action if we receive a positive test result. Parents will be informed via Facebook, our nursery school website and a letter sent via email.

Guidance NHS Test and Trace: how it works

The government has provided an overview of the NHS Test and Trace service, including what happens if you test positive for coronavirus (COVID-19) or have had close contact with someone who has tested positive. Please follow the link below:
