Hot Weather

Please ensure that your child wears a sunhat, and you apply suncream to your child before bringing them to nursery. If your child stays all day, please ensure you have provided suncream and signed to give permission for staff to reapply suncream after lunch.

Please also ensure that your child has spare clothes in nursery as they will be taking part in water activities.

We have hired portable air conditioning units for indoors. We will ensure that the children drink regularly, and they will also be having ice pops.

Attendance:

Well done to the Ladybird Group who had the highest attendance with 90%

School Leavers

This week is the last week in nursery for our school leavers. We will miss them but know that they are ready for school. Thank you to all the parents/carers. It has been a pleasure having your children here at nursery and seeing how much they have progressed and grown in confidence etc.

The Key Persons will be uploading an end of year summary onto Tapestry at the end of the nursery session on Wednesday.

The Tapestry online journals must be downloaded by parents/ carers over the summer holidays as the accounts will be closed in September. The journals will be ready for download at the end of the nursery session on Thursday.

<https://m.youtube.com/watch?v=I4SMT08B91s> this link will take you to a Youtube video that demonstrates how to download the journal from Tapestry.

If your child has an inhaler or other medication, please collect it on Friday.
